

Prehospital Mass Casualty Triage Online Training Program

Approved by the Florida Bureau of Emergency Medical Services
for 2 hours of continuing education credit (No. 20-210516)

Free for Florida First Responders
\$20 using PayPal for out-of-state

MAJOR LEARNING GOALS FOR 2-HOUR ONLINE PROGRAM:

- Describe the principles of triage and when triage should be performed
- Describe the differences between START and JumpSTART triage tools
- List the roles and responsibilities of a triage officer
- Describe common errors during triage
- Triage casualties in a simulated mass casualty incident

PIVOTAL DECISION® SERIOUS GAME

- First-person player perspective game
- Download the game at any time and play as frequently as desired
- Navigate through the incident area, locate casualties and perform triage
- Receive feedback in the form of an after-action report detailing both global game achievements and casualty level details
- Access to game free of charge after program completion
