

YOU ARE INVITED

to become an

Advanced Stroke Life Support Instructor

The University of Miami Gordon Center is offering an opportunity to become an ASLS® BL Instructor through a special training event. The Advanced Stroke Life Support® Blended Learning (ASLS® BL) Course educates healthcare professionals to identify, evaluate, and manage patients with stroke.

ASLS® BL is appropriate for all in-hospital and prehospital healthcare professionals involved in the management of acute stroke patients and meets the education requirements for Stroke Center Certification.

For more information about ASLS visit heart.org/ASLS

WHO SHOULD ATTEND?

- Instructors who are aligned with an AHA Training Center planning to offer ASLS® BL
- Healthcare professionals who specialize in stroke education and wish to teach ASLS® BL
- Current AHA ACLS Instructors who are interested in becoming ASLS® BL Instructors
